

E-Learning Subscription Service

Trainer Bubble's e-learning subscription service is aimed at helping small to medium-sized businesses meet their learning and development needs without costing the earth. Best of all...you only pay for what you need.

Choose the courses that fit your business needs from our extensive library covering business skills, compliance and health and safety. Our courses come in small, medium and large sizes - depending on the complexity of the topic. The e-learning works on PC's, laptops and mobile devices.

Each package provides users with a personal login and 1 year's access from the time they start the course. Managers have admin access where they can run reports and allocate users to courses.
